## Environment Friendly

Do you use drying machine even for small amount of laundry?

Drying machine is not suitable for sensitive items like tie, cap, embroidery, knit wear and underwear.

Be friendly to the environment, hand washing and natural drying keep the life of your favorite clothes long.

## How to use is up to you.

Hang the cloth and divide a room, hang any decorations to change the atmosphere, why don't you rearrange your room in the air, without changing floor or walls.

Mounting at any location. Entrance hall, washroom, living room, bedroom, etc.

\*Except humid place and outdoor

7colors variation

White, Silver and specially selected 5 unique colors.

Laundry Rack should not be white color.

Mounting location should not be at laundry room, choose your favorite color to be matched.
